

**Haumana Cruises introduces “barefoot chic” adventures in the Islands of Tahiti,  
for a discovery out of the ordinary!**

Tahiti & her Islands also known as French Polynesia... 118 islands scattered on a territory as wide as Europe and spread between five archipelagoes each with its own personality and beauty. Most have heard of Tahiti, Moorea, and the pearl of the Pacific, mythical Bora Bora. But there are, nestled in this vast ocean, some hidden paradises, some islands, that have kept their traditional flair, away from the spotlights...

An hour flight from the main island of Tahiti, the atoll of Rangiroa welcomes you to a world of natural beauty and wilderness. A necklace of tear drop virgin islets, dazzling beaches, lagoon hues of blues and greens offer a palette of luminous colors.

Rangiroa is the promise of a complete change of scenery, an unspoiled environment where time seems to have stopped... Invitation for a voyage... An escape out of the ordinary, between sea and sky...

Join us on the Haumana, 'Spirit of Peace' in Tahitian!

This 12-cabin catamaran offers 3, 4 and 7-night itineraries in Rangiroa, the largest atoll in French Polynesia and second largest in the world.

All 12 cabins are well appointed and equipped with large picture windows, adjustable air conditioned, mini bar, safe deposit box, flat screen television and DVD player.

The restaurant features an exquisite blend of French & Polynesian cuisine. Polynesian delicacies will be sampled at the occasion of our signature events such the picnic lunch in the lagoon and the dinner under the stars.

The main lounge will be the ideal place to unwind, while the bar and its Philippe Stark furniture will be the onboard social place, for the early morning cup of coffee, the tea time delight or the sunset cocktail moment. You may also relax in the outdoor spa pool.

Activities and excursions range from snorkeling, kayaking, fishing to reef outings, visit to local villages and families, or the birds' islet natural sanctuary, Polynesian cooking demonstrations, tastings...

A great mix of soft adventure and cultural insights! As well as complete relaxation through our selection of massages.

The sixteen crewmembers from these islands will share the warmth of the Tahitian hospitality and their knowledge of the local culture and traditions.

Personalized service, attention to details and immersion in the authentic Tahitian way of life will make your voyage onboard the Haumana a unique experience, filled with emotions, discoveries, pristine beauty... Simply all in perfect bliss...
